Terms and Conditions

Terms and conditions

1. Applicability and defined terms

1.1. These Terms and Conditions apply to the sale of all products and services on our website to the exclusion of all other terms and conditions, including any terms and conditions of you, the customer. Please read these Terms and Conditions carefully and make sure that you understand them before you order any products or services. They do not affect your statutory rights.

1.2. Some provisions of these Terms and Conditions apply only to consumers and some apply only to businesses. Where this is the case, it will be indicated at the start of the relevant provision. For the purpose of these Terms and Conditions, a consumer is an individual who is purchasing via the website for their own personal use and a business is an individual or a company who is purchasing via the website for a commercial purpose, which may include a self-employed or freelance person who will use their purchase for or in their business. Use of the word 'customer' includes both consumers and business customers.

1.3. For ordering as an entrepreneur in a cross-border transaction, the specification of a valid VAT ID number is necessary in the context of the order or via the customer account. By entering a valid VAT ID number in the field provided for this purpose, the customer confirms that he is placing the order as an entrepreneur within the context of his business. If the customer does not enter a VAT ID number, enters a foreign VAT ID number or enters an invalid VAT ID number, the customer confirms that he/she is not ordering as an entrepreneur or within the context of his/her business. In this case, the customer is treated as a consumer. A subsequent change or modification is not possible.

1.4. A reference to a working day shall mean any weekday excluding Saturdays, Sundays and public holidays in England and Wales.

2. Reviewing these Terms and Conditions and creating an account

2.1. We will keep a copy of these Terms and Conditions and save it with your order details. A copy will be sent to you via email together with the automatic order confirmation which we send to you after you have placed an order with us. We recommend that you keep a copy of these Terms and Conditions, either by saving and printing a copy from our website, or by saving and printing the copy which we send to you together with the order confirmation.

2.2. We will save details relating to each contract you enter into with us, but for security reasons you will not be able to access this information directly. You may register your details with us in order to create an online account. This account is password-protected with a password of your choice. In your account, you can manage your information and view your order details. You agree to keep your login details and password to your account confidential and will not to make them accessible to any unauthorised third party.

3. Who we are, language and contract formation

3.2. Before submitting your order through our website, you will have the opportunity to check and correct any input errors in your order up until you click the "Confirm and Pay" button. After you place an order, you will receive an e-mail from us acknowledging that we have received your order.

Terms and Conditions

3.3. After placing your order you will receive an invitation to pay for it via one of the online payment services offered by us. You will be able to use the following methods to complete payment: Bank transfer, PayPal, Apple Pay or payment using a credit card with Adyen N.V. The creation of a legally binding contract between us will only occur when you have successfully paid for your order.

3.4. If you have chosen a different payment option for your order, the creation of a legally binding contract between us will only occur when we send you an e-mail that confirms your order has been dispatched or when we send you an express declaration of acceptance.

3.5. You will usually receive the email inviting you to make payment or, where you have chosen an alternative method of payment, the dispatch notification, on the same day that you place your order. You can cancel all or part of your order up until you have paid for it in full or we send you a notification of dispatch, whichever is the earlier.

4. Prices and delivery costs

4.1. The prices for all products are as displayed on our website at the time you place your order. All prices and charges on this website are in UK pounds. Unless expressly stated otherwise, they include any VAT payable, but exclude delivery charges.

Terms and Conditions

6. Cancellation rights

THE FOLLOWING PROVISIONS ONLY APPLY TO CONSUMERS.

6.1. The below contains information on your statutory right to cancel an order placed online.

Notice of your right to cancel

When you have the right to cancel

Orders for goods

You have the right to cancel your contract for goods with us without giving a reason provided that you notify us within fourteen (14) days of your order being successfully delivered.

Orders for services

You have the right to cancel your contract for services with us without giving a reason provided that:

- i) you do so within fourteen (14) days of the creation of contract; and
- ii) the services have not been performed.

If the services have been performed in full, you will not be able to cancel them. If the services have been performed in part, you may be entitled to cancel the remainder of the services but we will be entitled to charge you for the cost of the services performed at the point of cancellation.

How to cancel

To exercise your cancellation rights, you must contact us (Lampemesteren GmbH, Rabanusstraße 14-16, 36037 Fulda, Germany, Tel: +44 203 499 8953, email: info@lampmasters.co.uk) within the fourteen (14) day period clearly stating your decision to cancel the contract. You can use the sample cancellation form below for this purpose; however use of this form is not mandatory and we can accept any clear statement of your decision to cancel. You can also notify us of your intention to cancel the order using our returns portal which is available at: <https://www.lampmasters.co.uk/returns>. If you use our returns portal, we will promptly send you an acknowledgement (e.g. by email).

Consequences of cancellation

If you cancel this contract, we are required to refund to you all payments we have received in respect of the cancelled contract, including delivery charges (except that where you have chosen to pay an additional fee for a more expensive delivery option, we are only obliged to refund you the cost of the cheapest delivery option offered to you) as soon as possible, and at the latest within fourteen days of the receipt of the returned order or, if earlier, within fourteen days of you providing evidence that the order has been sent back to us.

You must return the cancelled order to us (Logistik Center Flieden, c/o Lampemesteren GmbH, Am Landrücken 14, 36103 Flieden, Germany) promptly and in any event it must be sent back to us no later than fourteen day

Your order must be complete, unused and in 'as new' condition (e.g. if you have opened the box to examine the product you must have done so without damaging or marking the product in any way). It should be returned with the original box, packing and accessories. We may reduce your refund to reflect any reduction in the value of the order if this has been caused by your handling it in a way which would not be permitted in a shop. If we refund you the price paid before we are able to inspect the returned order and later discover you have handled it in an unacceptable way, we may require that you pay back to us an appropriate amount.

6.2. Exceptions to your right to cancel

Terms and Conditions

Your right to cancel an order because you have changed your mind does not apply to any orders which are custom-made, bespoke, or personalised.
